JUST ANNOUNCED!!

The Lloyd Phillips/Inner-City Filmmakers Internship Fund

In honor of Lloyd Phillips and in lieu of flowers or other sympathy gifts, please make a charitable donation to help sponsor diverse disadvantaged youth who are dependable, hard workers but cannot afford to take *free* internships where they desire to build job skills.

Lloyd with some of the ICF Class of 2012 students.

LLOYD PHILLIPS was all about helping youth. From the first time we met him to every time he spoke with our students, he would say, "It costs nothing to dream." We all agree. But, we all know, it does cost something to act upon your dream.

To make your donation to **The Lloyd Phillips/Inner-City Filmmakers Internship Fund**, please click on the Pay Pal button below or send a check to Inner-City Filmmakers located at 3000 West Olympic Boulevard, Santa Monica, CA 90404. If you have any other questions, please do not hesitate to contact us directly at 310-264-3992 or innercityfilm@earthlink.net. Thank you.

INNER-CITY FILMMAKERS - Educates, Empowers and Employs.

Established in 1993, Inner-City Filmmakers (I C F) is a non-profit 501(c)3 organization. We provide *free year-round* pre-professional hands-on training and job placement services for diverse disadvantaged Los Angeles County high school graduates, ages 17 - 22. Youth we accept gain artistic, technical, business and life skills. Because the filmmaking process engages youth, our students also improve English (written and verbal), mathematics and reasoning skills. They are better prepared for college and entry-level jobs behind-the-scenes in the entertainment industry, where THEY aspire to build careers but have limited access.

Today, we have 522 alumni. 100% are high school graduates and working in various fields. 98% are scholarship students at various colleges and universities that include, but are not limited to - UC Berkeley, UC Davis, UCLA, USC and Vassar. Over 50% have been matched to industry jobs where they are building successful careers. Our students are working members of the Motion Picture Editors Guild, Casting, Costume, Props, Grip and Studio Electrical Lighting Technicians unions and the Directors Guild of America. Our students are EMMY winners and OSCAR® nominees. They are reaching their fullest potential.

Inner-City Filmmakers accepts and counts on support from many different resources throughout the year. To make an immediate impact, you can donate right here, right now:
